"Effective, Fervent Prayers"

INTRODUCTION

Welcome and Greetings in the name of our Lord Jesus Christ. Congratulations on taking the initiative to invest in your spiritual growth and your personal walk with God. As you know, one of the main weapons that we as believers have, so as to obtain our God-given promises and to fight off the enemy's attacks, is prayer. 2 Corinthians 10:4.

Years ago I thought praying was an arduous task because I didn't really know the Word of God. Not knowing the Word of God, I didn't know what to ask for in my prayers. James 4:3. That made my prayers seem meaningless to me.

Even when He answered my prayers, I didn't know how to praise Him. I always marveled at how others could pray so effortlessly and truly believed that their prayers always go answered because of how eloquent they were in their prayers. However, whenever I would gather myself up to pray, I did not know if my prayers were effective and if God was in fact hearing my prayers. But know that despite your situation, God answers our prayers. God answers even before we call Him and before we even speak, He hears us. Isaiah 65:24. The important thing is that we must know His Word and abide in Him then He will answer our prayers. John 15:7.

Looking around, I have also noticed that prayers and the Word of God has been turned into bumper stickers in an effort to simplify things, leading sometimes to the misinterpretation of the scripture and a narrowing of the Word of God to just popular scriptures from popular verses. With the bumper stickers we may miss the surrounding verses that can sometimes bring life from the Word of God into our present circumstances. These surrounding verses again help us to know His Word and to abide in Him, thereby triggering responses to our prayers from Him. John 15:7.

This three-day bible study on "*Effective, Fervent Prayers*" will help you gain confidence in your prayer life, clarity regarding what to pray for, bring the vision of what the Lord has for you into focus, and finally, you will see a physical manifestation of your expected results.

Using the Book of James Chapter 5 Verse 16 as our foundation, we will help you to understand effective prayers, and to manifest the spiritual blessings that God has already released for you, as a result of your relationship with Him. Ephesians 1:3.
